WHO WE ARE

Guiding Principles

Gospel Motivated

The mission that drives us is the mission of Jesus. We follow Jesus and exist to magnify His name. We deeply desire for everyone to experience the good news of Jesus in terms they can understand from someone that they know.

Co-creation

We are collaborative, not competitive. We are about building impactful ecosystems, not isolated silos. Internally, we foster an environment where everyone's ideas are heard, and creativity flows freely. Externally, we build strategic partnerships so that we can multiply our collective impact.

Local Leadership

A diverse network of empowered leaders is the key to impacting our diverse cities. We empower local, grassroots leaders, helping them to clarify and achieve their God-given dreams; equipping them to make a meaningful impact in their own communities.

HOW WE DO IT

1. Develop the leader

LINC develops leaders the way Jesus did. Through life on life walking with them every step of the way; helping them grow into transformational leaders.

Root to Fruit

We generate Gospel-impact by focusing on leadership development. We focus on the root, pouring into local leaders, those whom God has already placed in our communities. By cultivating them, the root, we see all sorts of amazing fruit in our communities.

Marlita Hill Kingdom Artist Institute (Riverside, CA)

From helping me prioritize the tornado of ideas inside my head to helping me clearly communicate those ideas to my audience, LINC's support has been invaluable. In building a business, it is easy to get overwhelmed with all the tasks and decisions one has to navigate. I am so thankful that LINC is there to support me so that I don't have to tackle this gigantic endeavor on my own.

Pastor Arthur Andrews Hephatha Lutheran Church & School (Anaheim, CA)

Your dedication and skill in fostering the growth and spiritual well-being of our Christ's church is a blessing. It's through wonderful people like you that we can continue to nurture the faith in others. I am excited about the opportunities that lie ahead as we work together to strengthen the bonds of intentional discipleship and deepen people's relationship with Christ. Your support and collaboration have been invaluable as we embark on this journey of deeper discipleship.

Pastor Tardelli Voss Lutheran Mission Society (San Diego, CA)

The Kingdom of God is a kingdom of friends, says Jesus in John 15. That's how he sends us into the mission and it makes all the difference. LINC SoCal has been a God sent friend of the Lutheran Mission Society in San Diego, walking by our side in our early stages of development, not just guiding us through a process of strategic planning but encouraging our team to move forward in every step of the way. The support and love we have found in each and every one of our *friends* at LINC have been essential and nothing less than a blessing. from the Holy Spirit.
